

Best. Nr.:

ANSCHÜTZ 19908001
FEINWERK. 19908002
WALTHER 19908003
STEYR 19908004
HÄMMERLI 19908005

Increases the sight-base by ca. 10 cm and shifts the rearsight far enough to the rear. A scale lets you read the position.

The simple retractor.

TELE

centra TELE

82,- €

Sight retractor for supported shooting.

ANSCHÜTZ 1990821
FEINWERK. 1990822
WALTHER 1990823
STEYR 1990824
HÄMMERLI 1990825

Increases the sight-base by ca. 10 cm. As needed, raises the sight-line up to 16 mm. A scale lets you read the position. To be combined with the foresight raiser below.

Retractor with double function.

TELE HR

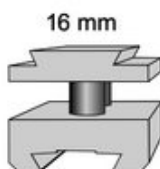

centra TELE HR

98,- €

Rearsight retractor. Dovetails on both sides, integral raising, to combine with BLOCK 16 K.

Best. Nr.:

ANSCHÜTZ 19915916
FEINWERK. 19915917
WALTHER 19915918
STEYR 19915919
HÄMMERLI 19915920

The accessory for TELE HR is this 16 mm raising block for the foresight tunnel. It sits on two columns and looks elegant.

BLOCK 16K

centra BLOCK 16K

36,- €

Sight-raiser for TELE HR. Only for the foresight tunnel.

Placing the fingers on the barrel can disturb the vibrations and lead to inconsistent impacts. The rack can be fixed to the dovetail and avoids direct contact. The wooden surface takes care of warmth...

RACK

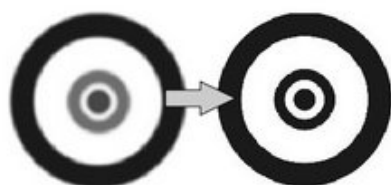

centra RACK

63,- €

Finger-rest for supported shooting.

ANSCHÜTZ 19915921
WALTHER 19915922

Variable correction, 'sharpens' the image of ring and aiming mark for those with short- or long-sightedness. Additional magnification.

Hawk 4,5

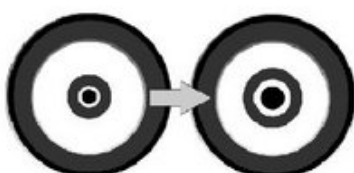

centra Hawk 4,5

85,- €

Additional optic, fits to every centra Iris unit. Optic -4,5 to +4,5 Dioptre. 1.5X magnification.

Best.Nr. 19908020 + Farbe + colour

Classic magnification of the sight-picture for all those over 46. In two strengths. Screw it in and see bigger...
