- Easy to mount.

centra DEVICE

30,- €

Sight operation aid, TOZ.

Best. Nr.:	19930091
------------	----------

TOZ-BALANCE

- Aluminium fore-end
 - 2 additional weights
 - 155 grammes complete
 - In red, metallic and blue
- Gives an up-to-the-minute look to the classic TOZ and significantly improves the 'feel'.

centra TOZ-BALANCE

92,- €

Aluminium frame.

Best. Nr.:	19930090 + colour
------------	-------------------

PUTTER

- Aluminium trigger-tongue for pistols.
- Wide, sharp-edged surface, curved.
- Cross-groove.

Contact with the trigger is the be-all of pistol shooting. This tongue feels secure, has a definite feel and gives an ideal pressure-distribution.

centra PUTTER

50,- €

Trigger tongue.

Best. Nr.:

STEYR	19940049
FWB	19940050
MORINI	19940051

ADDITION

- Extra weight for S&W 6-inch barrels.
- With 3 steel weights (130 grammes).
- Problem-free mounting.

Weight brings steadiness and reduces recoil. Physics for the revolver.

centra ADDITION

99,- €

Weight for S&W.

Best. Nr.:	19930092
------------	----------

CENTER 2

- Rotatable foresight for S&W
